

FIRST BASE

Model 600 - Hydraulic machine 7.000 Nm

Art. No:	120600-S
Weight:	1400kg
Dimensions:	1450x800/100mm (base)
Max. screw length:	2000mm
Machine model:	Model: KUBOTA D1105-E4B-EU-XL1 / stage V EPA Power: 25hp Speed: 3000 rpm
Hydraulic oil tank capacity:	30 ltr.
Fuel Tank capacity:	19 Ltr. Oil level indicator: Transparent at the tank Fuel level indicator: Electrical on command board
Electrical system voltage:	12V
Tracked Wheel:	ITR tracks, Kubota wheels
Pulled Chain Down:	Included
Colour of machine:	Whine/gray
Horizontal movement of the Mast:	350mm
Longitudinal slope max.:	20°
Transverse slope max.:	15°
Rotary Head:	Torque: 7000Nm Motor: Disc motor Reducer: Single speed RPM: 20 rpm
Mast inclination:	Longitudinal: + 10° / - 80° Transverse: 10° each side - 20° total Levelling Equipment: Included Drilling equipment: Excluded; downhole drilling hammer possible
Products to combine:	All Ø76 + Ø89 FIXED FLANGE Ground Screws. All V76 + V89 EXTENDABLE SYSTEM Ground Screws.
